

Dear Parents,

June, 2009

It is hard to believe we have only a few days remaining before the end of this school year. As I reflect on my first year at Woodmont, I realize that Woodmont is truly a special place because of all the wonderful people who work together for the welfare of our children. Thank you teachers - thank you secretaries - thank you support staff - thank you custodians - thank you parents - and thank you PTA executive board members! Together, we MADE A DIFFERENCE!

I want to take this opportunity to say that I am honored to be the principal of a school with such an amazing group of parents! I have been so impressed with the many different ways that parents contribute to our school. Thank you for being such an integral part of Woodmont School.

As many families prepare for fun in the sun, it's important to keep basic skills sharp. Leisure reading at the beach or poolside is a great way for students to keep up with fluency and comprehension skills. Keeping track of time or paying for items at a store are simple ways to reinforce time and money. Learning can be infused into everyday activities.

Have a wonderful, safe, and relaxing summer. I am looking forward to the 2009-2010 school year. Fond farewell wishes to all of our fifth grade students and parents who are moving up to Lazar. This is a terrific class, and I am certain they will make us extremely proud! They will be missed!

Sincerely,

Mrs. Susan Ciccotelli
