

Montville Township High School

Summer Reading 2018

English Department

Summer is a time that should find us looking forward to reading and remembering that a good book can be fun as well as informative. Research tells us that reading volume has profound cognitive consequences. Cunningham and Stanovich (2003) report that independent, out-of-school reading makes a large and unique contribution toward reading ability, aspects of verbal intelligence, and general knowledge about the world.

Many of the titles below are available at the Montville Township Library in the regular and summer collections. If a title is not available you may choose to put a “hold” on the book and you will be notified when the book is available. Please see or call the Montville Township Library if you need help locating a title (973) 402-0900 ext. 227.
