Dear Parents and Guardians:

The *PARCC* Test will be administered throughout the district's elementary schools according to the schedule below.

May 7st – 9th, Grades 3, 4 and 5, Language Arts
May 10th – 15th, Grades 3, 4 and 5, Math
Make up testing for all grades as needed

Please make sure that your child arrives at school on time. Testing in Grades Three, Four, and Five will begin promptly at 8:30 AM. The testing cannot be interrupted once it has begun. Students who are absent or late will be required to take make-up tests.

Standardized tests serve as just one measure of students' academic progress and provide information that is useful in guiding instruction. Naturally, we want students to perform to the best of their abilities. Therefore, we request your cooperation to ensure that students are present in school, well-rested, and fortified with a good breakfast to sustain their efforts on these standardized tests. If your child is not feeling well, it would probably be wise to keep your child home until he/she feels better, rather than insisting he/she comes in to just take the tests. Children perform better when they are feeling well, relaxed, and rested.

Your cooperation and support are greatly appreciated.

Sincerely,

Michael J. Raj
