

Valley View Elementary School PTA is partnering with Pomptonian Food Service to introduce a new School Lunch program

Delicious, Nutritious, Convenient

EXCITING MENU

The Pomptonian chef has put together a menu that is healthy, tasty, and visually appealing. Meals will be prepared fresh daily in the Montville High School cafeteria. Popular menu options such as Chicken Tenders, Boar's Head deli sandwiches, and Breakfast for Lunch options will be offered. Fresh fruits and vegetables will be offered with every lunch.

EASY ELEMENTARY ORDERING SYSTEM

The new lunch program allows you to place orders for a day, a week, a month, or up to 8 a.m. the same day. You can also plan lunches for the entire month. A simple log-on site with an easy-to-read menu, no service charge, and easy credit card payment system makes ordering a snap. Go to <https://montville.pomptonianmenus.com/order> to place an order by credit card.

QUALITY

Pomptonian sources quality ingredients and infuses healthy options into kid-appealing meals.

HEALTHFUL CHOICES

In addition to complete meal selections, bottled water and a variety of healthy and tasty snacks are also available for purchase to supplement the meal.

ORGANIC

Our Organic menus feature kid-friendly healthy entrées, with a twist. These entrées are prepared with Certified Organic ingredients.

SPECIAL DIETARY NEEDS (ALLERGIES)

As an allergy-aware kitchen, no meal is knowingly prepared on our equipment with any food that contains peanut/tree nut in the manufacturer's list of ingredients. Students with food allergies, other than tree nuts and peanut, will pre-order a meal from our allergy-safe menus. Follow the link above for more information.

PRICE

Traditional Lunches will be offered for \$5.50 and Organic/Premium Lunches will be offered for \$6.90. Each meal purchase supports your school with a portion of the proceeds being returned to your PTA.
