- Valley View - The Elementary School donated over 500 lbs of food to the Interfaith Food Pantry for the holiday season! Co-teachers, John Larkin and Amy Falk helped facilitate this food drive. Valley View takes pride in giving back to our local communities and providing food to those who may be less fortunate. Have a happy and healthy Thanksgiving! During the month of November,
- Valley View - Mrs. Handschuch's AM and PM preschool classes were very busy learning about the Pilgrims and Native Americans. The children also charted the course the Pilgrims took from England to America aboard the Mayflower. The month was filled with songs, poems and stories that reflected the very first Thanksgiving. At the Preschool Thanksgiving Feast, the children entertained guests with songs and a reenactment of the first Thanksgiving. Throughout the month, the children also discussed some common traditions and foods that are eaten and celebrated at Thanksgiving.
- Valley View - In the upcoming month, the smell of gingerbread will fill the air as the preschool children begin their unit on The Gingerbread Man. The children will be comparing various versions and characters of this famous story. We will also conclude the unit by working on a STEM project. Teams will construct and create bridges to assist the Gingerbread Man with crossing the river and avoiding the fox. We wish everyone a very Happy Holiday!
- Valley View - The second graders in Mrs. Slattery, Mrs. Trevaskiss, and Mrs. Matarazzo's class read *Balloons Over Broadway* by Melissa Sweet and learned about the origins of the Macy's Thanksgiving Day Parade. As a STEAM challenge, each student created their own model parade balloon. Each balloon was inspired by a book, TV, or movie character. To culminate the activity, students marched in their own parade displaying their creations.
- Valley View - On November 18th Valley View students, Anisha Mulinti and Aashna Rudravajhala, two fifth grade students, participated in a robotics competition called FLL (First Lego League) and this year's topic is space. The girls, as qualifiers, won first place for their Project Award. Next up the girls will move on to State Championships being held at the Mt. Olive High School on December 8th and 9th. Valley View wishes you both the best of luck.
- Valley View - The Girl Scout troop are collecting supplies for St. Hubert's Welfare Animal Shelter. The recent hurricanes and other natural disasters have caused animals to be displaced and homeless in many communities. The girls are trying to collect food, toys, and animal blankets to aid animals of all kinds suffering from being separated from their owners.
- Valley View - The 5th grade Leadership Team is going into K-5 classrooms to discuss how students can have a greater voice in the decision-making at Valley View. Some of the ideas being discussed are having more *Mix-It-Up* days in the lunchroom, students in kindergarten and first grade with

the help of fifth graders can “read” morning announcements, and to encourage more inclusion during outdoor recess by playing group games like kickball and soccer so more children can feel included.

- William Mason - The Student Council held its yearly food drive. The school was able to donate nearly 500 nonperishable items to the Montville Kiwanis Food Shelter.
- William Mason -Senator Pennacchio visited William Mason 3rd, 4th, and 5th grade classrooms to speak to the students about law making on the local, county, state, and federal level. The audience was very engaged as he had an interactive discussion with student volunteers about whether or not "not having homework" should be a law in NJ. He also provided time for the students to ask questions and many hands were raised!
- Lazar - After working hard learning their lines, collecting props, and putting together costumes since September, the Lazar cast of the Fall Play finally performed for the elementary schools the week of November 12. The cast performed “Grans Guide to Stop an Ogre” on Tuesday, Wednesday, and Thursday for four of the five elementary schools, unfortunately Valley View missed the performance due to the November snow storm. The play is a fun twist with a great message about stopping bullies told through the use of fairytale creatures. The students and staff at the elementary schools really seemed to enjoy the play and the Lazar cast had a great time performing.
- Lazar – PERCC (Pride, Empathy, Respect, Cooperation and Citizenship) Student of the Month recipients: **November** – Martin Zamudio, Matthew Kraut, Alexandra Mitchell, Hanna DeAngelis, Brooke Misiora.
- Lazar – Upstanders of the week: Week 10: 8th Grader Christina Issa, Week 11: No Upstander due to NY Jets bye week, Week 12: 7th Grader Alex Euripides

Business Administrator’s Report

Ms. Slunt introduced Joe Coscia from Honeywell, who presented the results of the detailed building audits, related to the Energy Savings Incentive Program (E.S.I.P.). Mr. Coscia highlighted the proposed savings through lighting upgrades to LED, solar instillations and the possible air conditioning of the 500/600 Wing at the High School. President Grau questioned the cost to the district. Mr. Coscia responded, indicating that the program results in no cost to the district. Dr. Cortellino question the locations of the solar panels. Mr. Coscia responded. President Grau and Dr. Cortellino questioned the guarantee on the savings. Mr. Coscia indicated that Honeywell would guarantee the noted savings of \$383,000.

Ms. Slunt concluded the presentations, indicating that the building improvements included in the E.S.I.P. were listed in the district’s Long Range Facilities Plan.
