

Dear Mustang Community,

I want to thank you for your continued patience and understanding as we continue to navigate these unique challenges. We are truly grateful to be in a position to proceed with a fall season. All coaches, athletes and parents have done a tremendous job preparing and educating our students on the importance of following and maintaining strict safety standards so we can play.

All Home contests other than Varsity Football

Tickets will NOT be required to attend these events. All attendees **MUST** practice safe social distancing and **MUST** wear masks.

Away Cross Country Meets

Meets which take place at Greystone Central Park will not permit fans at the start or finish lines. Viewing areas will be limited.

Home Football Games

In accordance with Governor Murphy's Executive Order and NJSIAA regulations, all schools must adhere to a maximum of 500 spectators per athletic venue. The Super Football Conference Patriot White Division protocols stipulate that the home school must allot a minimum of 30 percent of available tickets to the visiting school. This depends upon the physical constraints of each school's seating capacity, given social distancing standards. Therefore, moving forward, ticket allotment and admission prices will vary from school to school within the Conference.

The MTHS Athletic Department will be utilizing a traditional paper ticket process with complimentary admission for all spectators. **There will be NO tickets sold at the gate. All tickets will be provided to Home/Away program participants only.**

At the onset of each Home game week, your son or daughter will receive their allotted tickets (2 per player/cheerleader/band member) through the coaching staff of their respective program. Please be sure to safeguard these tickets as replacements will **NOT** be issued.

Montville Athletic Department guidelines for Home Football attendance are as follows:

- The Home spectators must park in the front parking lot of the HS.
- Masks **MUST** be worn at all times - spectators who fail to do so will be asked to leave the Stadium.
- Spectators will enter through the double gate near the softball turf.
- Spectators will then proceed along the fence line perimeter, have tickets checked at the top of stairs, and continue down the tennis courts staircase, and into the Home stands.
(bit.ly/mthsfootball)
- The home/away stands have been marked to ensure safe social distancing.

- Group your family on/around the “X” located on the bleachers.
- On the back of each ticket, you will find a QR code - please use your phones to register that you are present at the contest (contact tracing).
- During halftime, please be mindful of those around you when using the bathrooms. **DO NOT** create large social groups.
- When the game ends, please return to your vehicles the same way you entered the stadium.

Away Football Games

The away school can utilize online ticketing or traditional ticketing. These tickets will be limited to 30% of total (500) or to the capacity of what the visiting bleachers can accommodate. In addition, Cheerleaders will be traveling to our away contests. If a school is using an online platform, a code will be distributed at the beginning of each game week.

Once again, thank you all for your cooperation. Please keep in mind that all interscholastic athletic departments are doing their very best to ensure the health and well-being of every student-athlete and spectator. Your cooperation is necessary to maintain a safe, comfortable, and enjoyable experience for all those in attendance.

Go Mustangs!
