**L.5: Approval of 2018-2019 Merit Goals for Rene Rovtar, Superintendent**

RESOLVED that the Montville Township Board of Education, upon the recommendation of the Superintendent of Schools, approve the 2018-2019 Merit Goals for Dr. René Rovtar, Superintendent of Schools.

Goal 1 - The Superintendent will host a book club open to all staff, parents and community residents in Montville Township. Two books will be read and discussed at evening events. The books to be featured are:

- “What School Could Be” by Ted Dintersmith
- “Crazy-Stressed” by Dr. Michael J. Bradley

These books were selected to coordinate with the district’s Mindfulness Initiative which is part of the Five Year Strategic Plan that was adopted by the Board of Education in April 2017. Information gleaned from the School Culture and Climate Surveys has indicated that students are experiencing high levels of stress and anxiety across all grade levels. These books were chosen to help support the development of positive, well-grounded students with resilience.

Goal 2 - The Superintendent will serve as the editor and lead author of a book that will be written collaboratively with students in grades Kindergarten through 12. The book will contain the students’ perspective and advice on a number of topics such as respect, kindness, gratitude, grit, courage and resilience. These are areas which form the core of the district’s character education program.

The Superintendent will gather input from students by visiting certain classes and by engaging in electronic dialogue with other students.

The final work will be self-published and made available for purchase with proceeds going to the Montville Township Public Schools.

Goal 3 - The Superintendent will work together with the administrative team to explore options for implementing a service learning program within the Montville Township Public Schools.

Information will be gathered on Service Learning Programs that have been implemented in other New Jersey Districts including whether the districts have instituted a service learning requirement for high school graduation.

The administrative team will prepare a recommendation to the Board of Education by March 1, 2019.
